## ACCESSORIES

Here at Duncan®, we not only want to equip you with the proper gear, but also help you protect it for a lifetime. From upgrading your string to yo-yo storage cases, Duncan has the products to preserve your gear, and assist you in becoming a better player.

## TIPS

Change your string regularly.  
For more response, especially on looping (narrow body) yo-yos,  
Looping Oil helps lubricate your bearing.

## CAN YOU BECOME A YO-YO MASTER?

To learn the tricks, download the Duncan App  
and carefully watch our training videos at

# Yo-Yo ★★★★★ SCOUT PROGRAM

# PROGRAM OVERVIEW

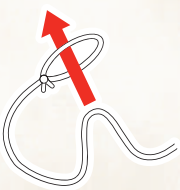

For nearly 90 years, Duncan has been teaching our youth about yo-yoing. Like Boy Scouts of America, we share our passion from generation to generation. We encourage Scouts to learn something new, build hand-eye coordination, build confidence, teach others, and meet new friends.

Duncan has developed a Scout Program to support the troops, and inspire you to be a part of a new sport—one you can carry in your pocket, or backpack.

# HOW IT WORKS

Each participating Scout is given a “Level 1” trick card and the main Yo-Yo Scout Patch. Each trick card has 3-5 tricks listed on the back, which must be completed successfully to advance to the next level and gain the level patch (see fig. 1). Once a level is completed, you’ll receive a new trick card to begin the next level. There are a total of 5 Levels with their own cards and patches. With each level you complete, you become one step closer to becoming a Yo-Yo Master. You can learn the tricks on line or download the Duncan app at [yo-yo.com/scouts](http://yo-yo.com/scouts).

# HOW TO GET ROLLING WITH YOUR YO-YO

## STEP #1

Make a bend in the string and insert it through the loop

## STEP #2

Pull the string through the loop and insert your finger.

## STEP #3

Wind the string around the axle until it catches, then wind tightly. Place the yo-yo in your palm with string on top.

## STEP #4

Release the yo-yo with your hand pointing in front of you. Once thrown, turn your hand over to catch.
